Empowering Circular Economy and Sustainability

The **Forward Green** Expo is a groundbreaking trade show and conference organized by TIF-HELEXPO, dedicated to nurturing a new entrepreneurial mindset in Greece and Southeastern Europe. With a focus on promoting circular economy principles and sustainable development, the event aims to revolutionize business models in ways that protect natural resources and foster a sustainable future.

Why Exhibit at Forward Green Expo 2026?

1. Expand Your Network

Connect with key players from Greece and the wider Southeastern Europe. The expo attracts leaders, decision-makers, and innovators dedicated to transforming industries through sustainable practices.

2. Global Exposure

Showcase your sustainable solutions to a diverse audience of professionals, government officials, and industry leaders, positioning your company at the forefront of the circular economy movement.

3. Innovation Hub

Explore advancements in areas such as waste management, energy efficiency, recycling, and smart management solutions. Present your cutting-edge innovations to a highly targeted market of professionals.

4. Strategic Location

Thessaloniki, as a gateway to Southeastern Europe, offers unparalleled access to new business opportunities and markets that are embracing sustainable practices.

What to Expect at Forward Green Expo 2026

Annual Forum on Circular Economy

Global experts will share insights on key challenges and trends in the circular economy and energy transition.

Exhibitor Showcases

Over 230 exhibitors will present their latest innovations in fields such as bioclimatic design, environmental technologies, and waste management solutions.

Open Stage Presentations

An open platform for participating companies to showcase their profiles and innovations, allowing for dynamic interaction with the audience.

In parallel with Renewable EnergyTech

Benefit from synergies with the Renewable EnergyTech Exhibition exploring opportunities in the smart and green energy market.

TIF-HELEXPO

Leading Greece's Exhibition Industry Since 1925

TIF-HELEXPO is Greece's National Institution for the Organisation of Exhibitions, Conference, and Cultural Events, operating from the heart of Thessaloniki. Established in 1925, it annually hosts over 30 international trade fairs, drawing more than 1 million visitors and 9,000 exhibitors across diverse industries. The Thessaloniki International Exhibition & Conference Center spans 180,000 sq.m., including the Ioannis Vellidis Congress Centre, commercial spaces, and entertainment venues.

Currently, TIF-HELEXPO is planning a major redevelopment-**the Thessaloniki ConfEx Park** - aimed at creating a modern, sustainable exhibition and conference venue. The project includes extensive green spaces, state-of-the-art eco-friendly facilities, upgraded infrastructure, and is expected to drive significant economic growth, positioning Thessaloniki as a leading European business and tourism hub.

Committed to innovation, sustainability, and international collaboration, TIF-HELEXPO plays a vital role in connecting businesses, markets, and communities regionally and globally.
